

FLITE is dedicated to continuing the excellence in T/E Schools. Supporting after-school tutoring programs is one possible way FLITE could help every student benefit from all that the district offers.

PROGRAMS* SUPPORTED BY FLITE FOR THE 2006/2007 SCHOOL YEAR

T/E After School Club - an after-school program for elementary school students who have been identified by school personnel; runs 4 days/week at all 5 elementary schools; staffed by district personnel; assists students with assignments as well as address social/emotional needs; also includes workshops and home visits as necessary. *FLITE is helping to fund some of the staffing costs.*

Homework Oasis - an after-school homework club for Valley Forge Middle School students who have been identified by school personnel; runs 4 days/week all year long; staffed by VFMS teachers; provides students with a quiet, safe, nurturing place to complete homework, work on projects, and study for tests. *FLITE is funding the transportation home for these students.*

*Additional programs are scheduled for review by FLITE during the fall of 2006. Check the website for further updates.

One way FLITE is supporting T/E students is by offering transportation home from some after-school programs.

flite

...has a special emphasis on supporting programs that reach district students who are currently unable to take full advantage of T/E's outstanding curriculum and varied activities.

...is independent of the School District.

...relies on private donations, NOT tax dollars.

...funds programs that the School District is not able to provide.

...funds programs; it does not run programs.

...is composed of an all volunteer board.

Some students don't participate in a school band because they don't have access to instruments and/or music lessons. FLITE could support a program designed to overcome that obstacle.

Help FLITE take flight!

FLITE's goal of supporting excellence in our schools - with a special emphasis on assisting T/E students who need extra help to succeed - benefits everyone by giving us more successful students, stronger property values, and a healthier community. It is our hope that the historic generosity of T/E residents will make FLITE a long-term fixture in our community. *But, that can't happen without you!* Please help FLITE make a difference in T/E by sending in your tax-deductible contribution today.

In addition to contributing directly to FLITE, additional options for donations can be found at our website www.flite-pa.org/giving. Checks should be made payable to FLITE and sent directly to
